### *Don't Be a Victim: Personal Safety for REALTORS®*

This informative video provides several practical techniques to minimize on-the-job risks, both criminal and accidental. It's ideal for meetings and educational programs. State and Local Associations receive one copy annually with the Orientation Kit, and a copy is included in this Safety Week Kit, however additional copies are available for sale at cost, including shipping and handling.

**Med-Net, Travel-Net, Docu-Net and Child-Net**

The NATIONAL ASSOCIATION OF REALTORS® is pleased to announce a new REALTOR VIP® Alliance Program partner, Global Work/Life Solutions, LLC which offers the following products: Med-Net, Child-Net, Travel-Net and Docu-Net.

**Med-Net** is the leading provider of a medical document storage and retrieval service that is accessible worldwide 24 hours-a-day, 7 days-a-week via a toll-free number. Through Med-Net, each member has his or her own personalized emergency medical information stored on a confidential, secure private non-internet database. Examples of information that can be stored with Med-Net include, but are not limited to, pertinent medical data, current medications, physician contact information, emergency contacts, health insurance, and more.

**Child-Net** is a program that store's your child's important life-saving information including pertinent medical data, emergency contacts, Authorization to Treat forms, immunization records, and much more. And, with over 2,000 children reported missing every day, Child-Net stores your child's photograph and fingerprints in a separate database, which parents can access and help distribute to police and national missing children programs immediately.

**Travel-Net** stores all your important travel information such as passports, visas, credit cards, debit cards, traveler's checks and more in a private electronic safety deposit box.

**Docu-Net** stores your critical documents that you may need access to 24 hours-a-day. You may store items such as your Living Will, Health Care Power of Attorney, Insurance Papers, Wills and more.

NAR Members receive special pricing on the program. The cost for a single membership is \$49.00 and the cost for a family membership is \$89.00. This is a 40% savings off the retail price for this program.

NAR Members may also receive the same discount if they are interested in purchasing a membership for their clients, which will include a personalized letter to the client of the gift purchased for them by a NAR Member.

**Mobile Callback Personal Protection**

NAR is also pleased to announce the addition of Mobile Callback as a REALTOR VIP® Alliance Program partner. Mobile Callback, created by *Realty Times*, is a service that provides real estate professionals with a higher level of safety and security.

Activated through your mobile phone, the Mobile Callback system calls you back at predetermined time intervals to monitor your well-being. If everything is fine, simply confirm your current location and keep your phone nearby for the next callback. If an emergency situation arises and you cannot call for help, the system immediately contacts your local emergency center. Members can use this service anytime, but will find it particularly helpful at open houses, home showings or in other instances where safety is a concern. The patent pending technology in use makes activation quick and easy for all REALTORS®.

The activation fee is \$50, and the monthly fee is \$21.95. Service is available 24/7 and no long-term contract is required. NAR members receive a 10% discount off Mobile Callback's activation and monthly fees.
