

Broker's Authorization to Enroll in NAR's Broker Involvement Program

YES!

I hereby authorize the Daytona Beach Area Association of REALTORS to enroll me in NAR's "Broker Involvement Program."

I understand there is no cost for me to participate, and I understand my agents/employees will only be contacted via email in my name through this program on federal legislative issues (usually only 3 to 5 times per year).

I am further aware that I will need to be available to NAR to confirm our participation in the program and agent count. I also understand and agree that I will be considered the sender of the emails that my salespeople/agents will receive from this program.

Auto Participation is the most effective and efficient Broker Call for Action (CFA) method. NAR will alert you by phone and email (brokeradvocacy@realtors.org) when there is a National Broker CFA (Usually only 3 to 5 times per year). You agree NAR can send all Broker CFAs with your name and company logo to your agents, thus enabling your agents to take action quickly on the CFA. By submitting this form, you are agreeing to allow NAR to automatically send the Broker Calls for Action to your agents.

Thank You!

Within seven days of NAR receiving the enrollment form, NAR Political Programs staff will e-mail you to confirm participation by asking you to:

1. Verify the numbers of agents in the office(s) so we can assure the Broker Call for Action is going to the broker's correct agent(s).
2. E-mail company logo, if one exists.

You must reply to this e-mail in order to complete the enrollment process. These two pieces authorize your message to be sent to all of your agents.
