

# Important Instanet Forms Announcement

Starting today, you can access Instanet Forms on the most popular Apple, Windows and Android-based tablet devices such as the iPad/iPad2, Xoom, Galaxy, Playbook and others at no additional charge.

As a current Instanet Forms user, all you need to do is simply log into your existing TransactionDesk or Instanet Forms account through your tablet browser and you will be automatically accessing the new version. There is no new software to install or apps to download.

Instanet Solutions is proud to be leading the real industry industry into mobile technology.

If you have any questions, please contact [support@instanetsolutions.com](mailto:support@instanetsolutions.com)

- FREE to *all* existing users
- No special Apps needed
