

What Successful Area REALTORS Had to Say About Social Media

The 2017 DBAAR Leadership Participants spoke with 10 of the area's most successful REALTORS®, and here are suggestions they gave:

Social Media:

Facebook-this was the #1 Social Media network among the answers from successful realtors. See above under marketing for suggestions and how to set up a business Facebook page.

Twitter-tweet information the same as you would on Facebook.

Linkedin-another way to connect with others and also has some good articles.
